PROGRAMS

Hand-Painted Art Murals by the Artist | Indoor · Outdoor

1

A team of professional muralists will create a large scale art mural for your school

2

The Artist will submit a **unique concept and digital rendering for approval**, incorporating the school's input and vision.

3

The next steps involve **priming the walls, sketching, and painting** the mural to completion.

4

We use **high-quality materials** that ensures the longevity of the mural in any weather condition

Program Highlights

Samples of Hand-Painted Murals by the Artist

Collaborative Murals

Painted with Students | Indoor · Outdoor

1

A professional team of muralists will create an art mural.

2

Engage students in a 60-minutes workshop as well as the development an art mural.

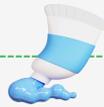

3

The Artist will submit a **unique concept and digital rendering for approval**, incorporating the school's & student's input and vision.

4

Students will learn art while actively painting a mural. The artist will give the final touch to deliver a professional mural.

5

The next steps involve **priming the walls, sketching, and painting** the mural with the collaboration of the students. Students will paint in small groups.
